MAX G™ STIMULATING MALE SEX PROSTATE GEL

PRODUCT FEATURES

Paraben-Free • Sugar-Free • Sulfate-Free • Fragrance Free
Non-Greasy • Water-Soluble • Adult Toy & Latex-Friendly
Non-Staining • Made in USA • No Animal Testing

- **Maximize Your Pleasure!**
Specifically Designed to Help Arouse the Male “G” Spot!
- Formulated with Niacin and Clove Oil...
to Assist with Increased Sexual Intensity
- **Niacin (Vitamin B3)** plays a vital role in energy production and blood circulation to the penis and prostate areas / its stimulating benefits create what is known as a Niacin Sex Flush, which produces sensations of tingly, intense warmth and increased blood flow for greater excitement
- **Natural Clove Leaf Oil** works to enhance blood flow for greater sensitivity and pleasure/intensifies and heightens pleasure during the foreplay leading up to ejaculation / intensifies a man's orgasmic pleasure
- **Maximum Satisfaction for All Men!**
- Smooth gel formula allows for increased lubrication...
Use with lubricant for EZ glide to stimulate prostate
- Intensifies male arousal
- Apply to finger or anal toy and insert into anus for Max results
- Should not be used by persons with aspirin allergies,
on prescribed blood thinners or have an STD

MAX AROUSAL™ EXCITING MALE SEX PLEASURE GEL

PRODUCT FEATURES

Paraben-Free • Sugar-Free • Sulfate-Free • Fragrance-Free
Non-Greasy • Water-Soluble • Adult Toy & Latex-Friendly
Non-Staining • Made in USA • No Animal Testing

- **Maximize Your Sex!**
Increase Penile Arousal for Exciting Sexual Pleasure
- Formulated with Powerful Ingredients Known to Arouse the Penis and Increase Male Libido
- **L-Arginine** an amino acid that enhances the action of nitric oxide present in the body / when applied topically, signals the smooth muscle surrounding the blood vessels in the penis to relax, thus allowing dilation of the blood vessels to increase blood flow / assists with increased blood engorgement of the penis, stronger libido and exciting sexual sensations
- **Niacin (Vitamin B3)** plays a vital role in energy production and blood circulation to the penis / its stimulating benefits create what is known as a Niacin Sex Flush, which produces sensations of tingly, intense warmth and increase blood flow for greater excitement
- **Menthol / Peppermint Oil** when applied topically, signals the smooth muscle surrounding the blood vessels in the penis to relax, thus allowing dilation of the blood vessels to increase blood flow/ produces a stimulating, cool-warm tingle sensation for sexual arousal and excitement
- **Maximum Satisfaction for All Men!**
- Smooth gel formula
- Increased male arousal
- Apply topically to penis head and shaft
- Should not be used by persons with aspirin allergies or liver disease, on prescribed blood thinners or have an STD
