American-made, since 1976. The world knows the Doc Johnson brand to be tried and true. We've stood the test of time by developing product mindfully, manufacturing with integrity, and keeping our products accessible to the consumer.

We've brought you countless best-sellers and will continue to innovate for the growing market. Keeping the customers happy and coming back for more is our top priority. Offering variety and quality go hand in hand; creating every shape the body craves in sizes to satisfy every taste, made with materials ranging from our premium Platinum Silicone to lifelike UR3®, to plush R5® and sparkingly Radiant Gems, to gorgeous glass, classic PVC, Velvet Touch ABS, and so much more - our selection of stimulating products cannot be beat.

Our dedicated in-house staff of product developers, designers, product managers, sales and marketing executives, artists, programmers, customer service representatives, shipping assistants, and hundreds of production employees are the champions of creativity, the guardians of quality control, and the most service-minded team of professionals in the industry.

Presenting the Doc Johnson 2012 Summer Supplement.

Enjoy this showcase of exciting debut lines, intuitive extensions of best-sellers, and fresh accessories. We look forward to bringing these extraordinary new products to market with you.
