A New Dimension In Pleasure!

Providing Pleasure Since 1973

Pipedream's State of the Biz

Dear Friends,

Over the past 15 years, we've designed, created, and developed some of the best-selling novelty products in the world. Our mission statement has always remained the same - to give you great products at a fair price. We'd like to take this opportunity to thank all of you for your continued support. We know that great customers are the key to our success, and we're diligently working to improve our service, company image and marketing strategy. We're committed to doing everything it takes to increase sales for all of us, and we'll continue to move with the times and exceed your expectations.

2007 has been an incredible year for Pipedream. In July, we introduced BASIX, our 100% phthalate-free rubber line with over 50 styles of dongs and 8 different colors to choose from. We've built a state-of-the-art rubber manufacturing facility in-house, with the capacity to produce over 5000 units per day. In addition, we're in the process of automating our entire facility by implementing cutting edge software and computer systems. The results have been phenomenal - we had our best show ever and the customer response has been tremendous. Our Fetish Fantasy Series is the hottest-selling fetish line on the market, and it continues to raise the bar for couples-friendly fetish gear.

In April, our best-selling Moist lube was recognized by Women's Health magazine as the "Best Personal Lubricant," adding to the impressive list of accomplishments Pipedream has earned over the years. We won a fourth and fifth NACD award for our Lover's Cocktail custom bottles, awarded to the company with the most unique packaging. The accolades continue to pile up!

Our collection of designer handbags is still the talk of the town - they're all-in-one kits packaged in stylish bags and designed to make sales soar. From bachelorette essentials to Rabbits in the Hat, our bags are redefining the way kits and collections are packaged and sold. Ask your sales person for the bag that's right for you...we stock them deep for every occasion!

The future is now and Pipedream is striving to find the best gifts, gags, lotions, vibes and novelties around the world. Come along for the ride and see what the BUZZ is all about. We don't make the orgasm...we make the orgasm BETTER!

Yours Truly,

Nick Orlandino
Chief Operating Officer

Moist Voted Best Lubricant By Women's Health Magazine!

From Women's Health Magazine:

"Water-based products come closest to feeling like the lubrication your body produces...*Fragrance-free Moist beats out every other water-based lube we tried for long-lasting slipperiness.* And if you do need more, the one-handed pump makes it easy."

The *Clear* Choice In Personal Pleasure

Perfect for any occasion, Moist provides long-lasting lubrication in a crystal-clear, unscented water-based formula.

PHTHALATES
(FREE)

...Getting Back To The BASIX

We've found a way to make 100% phthalate-free rubber while maintaining our existing prices! We've built a state-of-the-art manufacturing facility with the capacity to produce over one million units per year. The result: quality American-made rubber at low prices, sleek new packaging that saves wall space, and over 40 styles and 8 different colors to choose from. Get back to the BASIX and watch your profits soar!

PIPEDREAM PRODUCTS from A-Z

We conceptualize it, design it, manufacture it, test it, shoot it, print it, silkscreen it, fill it, cap it, pack it, stock it, show it, sell it, and ship it...nuff said.

ALWAYS OPEN FOR BUSINESS...

The image shows a computer monitor displaying the Pipedream Products website. The website has a blue header with the 'PIPEDREAM' logo and 'FETISH Fantasy Series' text. A search bar is on the left, and a navigation menu lists categories like 'LIBES, LOTIONS & POTIONS', 'GAMES, GIFTS & GAGS', 'NOVELTIES', 'BONDAGE & FETISH GEAR', 'Handcuffs And Thumbcuffs', 'Lingerie', 'Masks', 'Plastic Vibrators', 'Rubba-wear', 'Whips', 'COCKRINGS & STIMULATORS', 'VIBRATORS & MASSAGERS', 'DONGS & STRAP-ONS', 'MASTURBATORS & PUMPS', 'KITS, SETS AND COLLECTIONS', 'BLOWUP BABES', 'PIPEDREAM EXCLUSIVES', 'SIGNATURE COLLECTIONS', and 'PROMOTIONAL ITEMS'. The main content area features a product called 'Inflatable Love Lounger' with a description: 'Explore your deepest fantasies with our most advanced Fetish Fantasy inflatable yet! The Remote Control Inflatable Love Lounger is the first ever portable inflatable sex machine--just inflate it, strap yourself in, push the remote, and get ready for a wild ride! The sleek vinyl lounge quickly inflates and holds up to 300 lbs, making it perfect for you both and made to play hard. With the touch of a button on the remote control, the Love Lounger's Sex Machine comes to life, thrusting up and down and satisfying you with each sensuous stroke. The Sex Machine can be removed from the Love Lounger, allowing you to enjoy it anywhere, anytime.' To the right of the product are links to 'Newsletter', 'FETISH Fantasy Series', and 'Signature Collections' including 'hannah & harper', 'PLAYGIRL', 'PIPEDREAM EXTREME', 'JODIE MOORE COLLECTION', and 'monica sweetheart COLLECTION'. A person's hands are visible typing on a keyboard in front of the monitor. A bottle of 'MOIST' lubricant is on the desk to the right.
