ICICLES[®]

hand blown glass massagers

Dear Friends,

Five years ago, Pipedream shifted focus and entered the Bondage/Fetish market with the debut of our couples-friendly Fetish Fantasy Series[®]. With strategic marketing, intense rebranding, and five long years of hard work, Fetish Fantasy Series[®] is now the number one selling bondage line in the world. Now we've set our sights on manufacturing the best quality erotic glass.

We proudly present ICICLES[®], the new standard for high-quality erotic glass. Elegant, upscale, and hand-crafted with amazing attention to detail, each ICICLES[®] wand is made from hygienic, nonporous glass and designed to play hard.

We've created a comprehensive line of 24 glass massagers, each packaged in beautiful gift boxes and all part of a unique marketing program. Together with our incredible 36-piece POP display, we're changing the way glass is branded, marketed and sold.

Like all Pipedream Products, ICICLES[®] glass wands are great products at a fair price. They're affordable, great for retail stores, home parties, web, and perfect for all novelty and gift venues.

We're confident that the ICICLES[®] program will be a profit center and a welcome addition to any retail environment.

As always, we'd like to thank our valued customers for your continued support of all of our products. We know that good customers are the key to our success, and we're working harder than ever to improve every aspect of our business.

We hope you enjoy this catalog, which includes an easy-to-follow planogram to help you display and sell the entire ICICLES[®] range. Enjoy!

Sincerely,

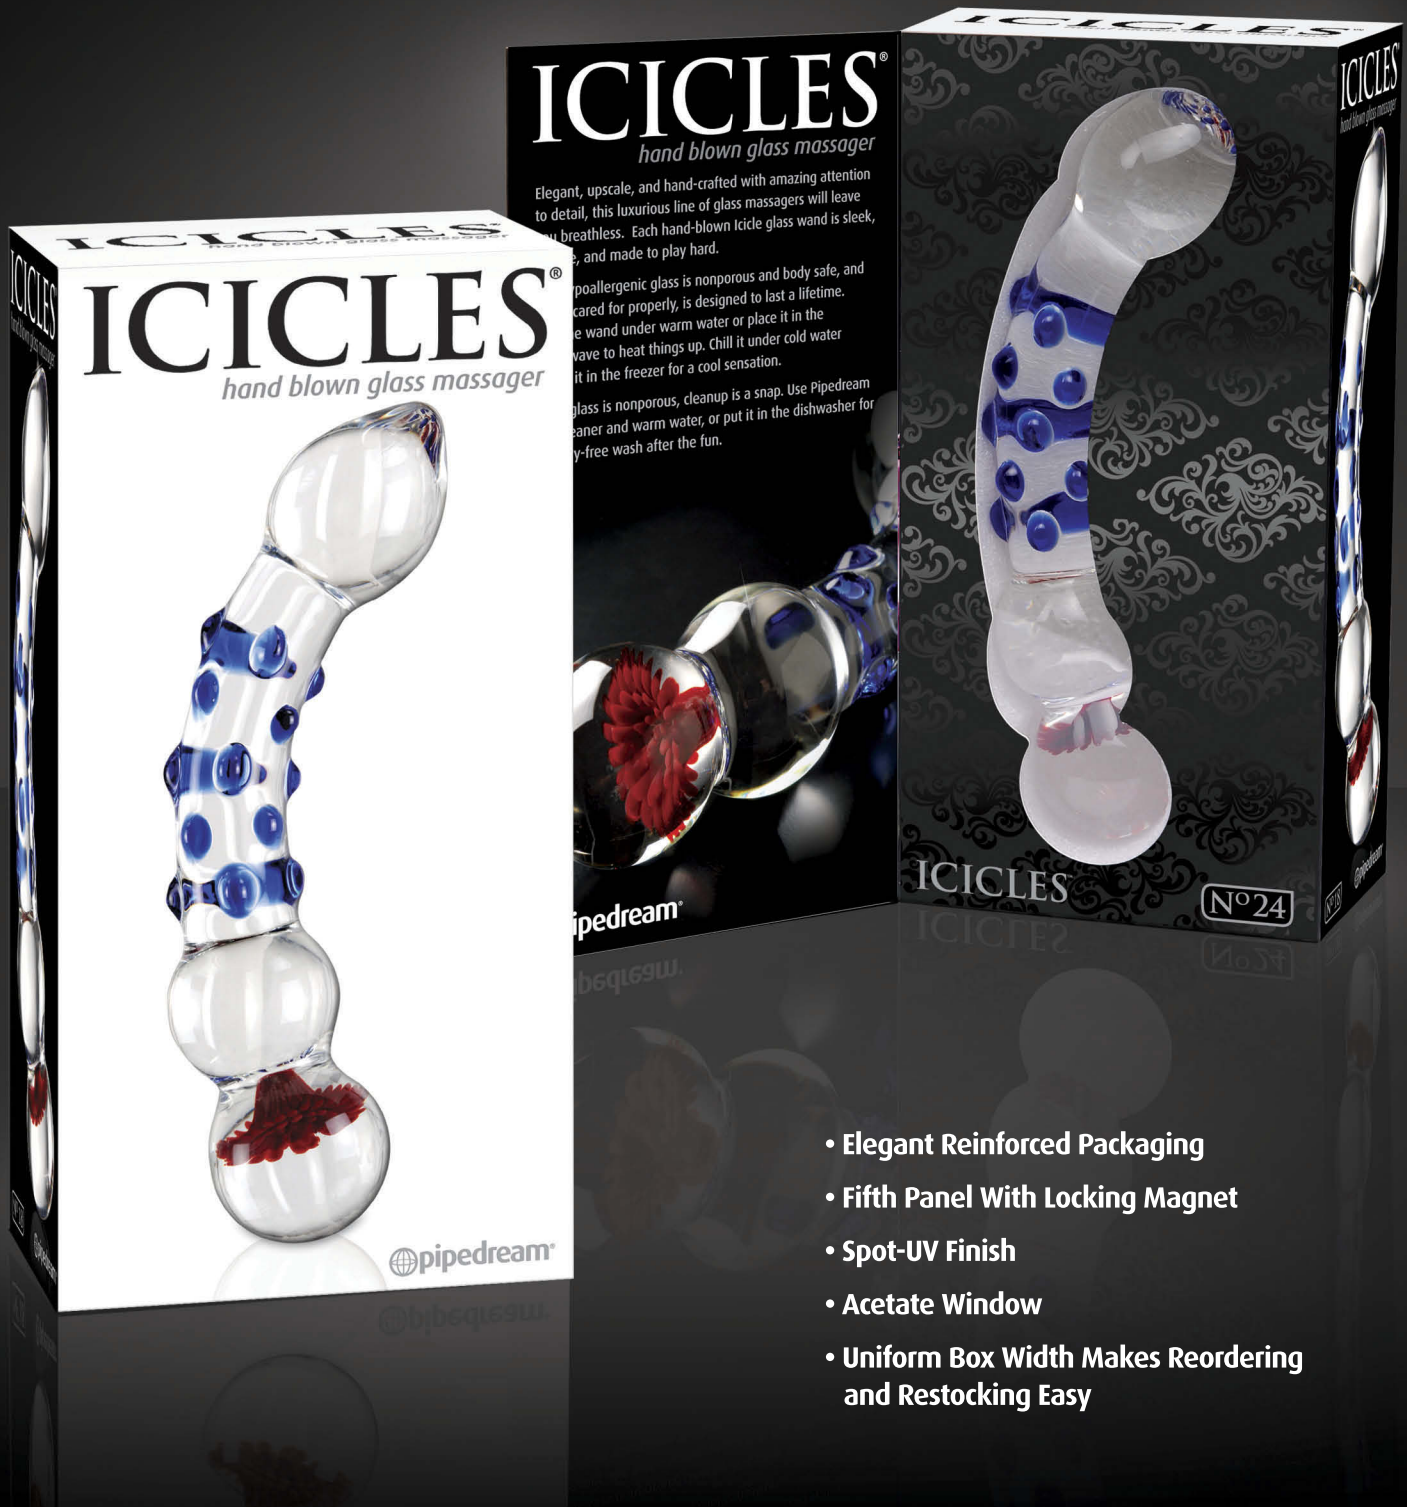

Nick Orlandino
CEO
