We're Blowing UP!

Pipedream is indeed blowin' up! Fresh off the heels of our fifth "Manufacturer of the Year" award in three years, Pipedream continues to make headlines in the news and on the web with our best-selling celebrity look-alike Super Star Series.

The dolls, who poke fun at some of Hollywood's most inflated egos, have been featured on TMZ, NBC, The New York Post, PerezHilton.com, VH1, The Howard Stern Show, Playboy and thousands of celebrity blogs and entertainment sites.

The popularity and success of these dolls has been amazing, and over the last decade, we've quickly become the largest manufacturer and importer of vinyl blowup dolls in the world.

Just add air and these hilarious inflatables become the talk of any party. From our original John and Judy no-hole dolls over 20 years ago, to our brand new Kinky Kim, Britney and Guido/Guidette Dolls, these time-tested favorites still make the perfect gag or gift for any occasion.

In this catalog, we've continued our new specialized supplement format, helping you find what you're looking for faster and easier than ever before. Every doll we manufacture is featured in one, easy-to-browse catalog that takes the guesswork out of stocking this section. As always, we'd like to thank our great customers for our success, and we'll continue to work harder than ever to improve every aspect of our business. Thanks again for supporting Pipedream, we hope you enjoy!

Sincerely,

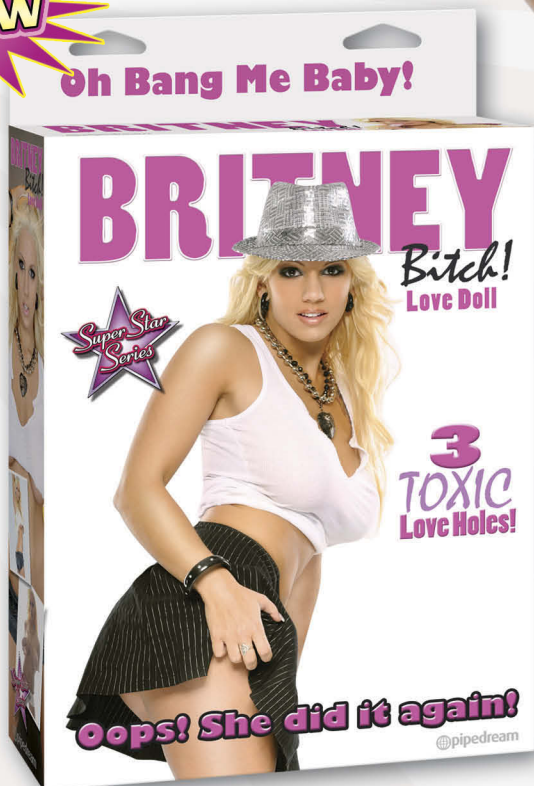

Nick Orlandino
CEO
