FETISH *Fantasy Series*

Dear Friends,

Six years ago, we introduced a line of easy-to-use, couples-friendly bondage products for beginners to enjoy. The results were amazing: Pipedream changed the way BDSM products were merchandised in stores and on the internet and "Fetish Fantasy" became a household name. Since then, we've expanded the Fetish Fantasy Series brand to include Fetish Fantasy Extreme, Fetish Fantasy Elite, and Fetish Fantasy Lingerie, making it the most comprehensive and diverse selection of fetish-inspired pleasure products on the market. Today, the Fetish Fantasy Series is the best-selling fetish line in the world and the awards and accolades continue to pile up.

If you currently carry Fetish Fantasy Series, you know how well it sells. If you don't stock it, you're missing out on an unbelievable opportunity to watch your profits soar. There's a reason we're number one, and it's not exactly a black and white answer. We work hard to design, develop, create and manufacture every product from the ground up. Fetish Fantasy boxes don't just look good—they ship even better. Every Fetish Fantasy box features eye-catching models wearing Fetish Fantasy Lingerie, captured in bright, vivid colors. If you want your boxes to jump off the shelves and look as good in person as they do on the web, accept no imitations!

Our motto still remains true—to offer you great products at a fair price! Every Fetish Fantasy creation is unique and made to play hard, featuring the quality you've come to expect at a price your customers will love. The sales speak for themselves – the Fetish Fantasy Series has earned the title of the #1 Bondage Line in the World and it's easy to see why! From cuffs to hogties, swings to strap-ons and everything in between, we have the biggest and best selection of beginner bondage accessories available! Check out the plan-o-gram on the opening pages and see how we can improve your retail store, one wall at a time.

As always, we'd like to thank our valuable customers for your continued support. We know that great partners are the key to our success and we're doing everything we can to improve every aspect of our business. We're confident the new year and new catalog will bring continued success and new opportunities for everyone involved.

Take a look for yourself and see why everyone loves Pipedream!

Sincerely,
Nick Orlandino
CEO
